

ACT MATH/SCIENCE REFRESHER COURSE

This 3-hour focused review is designed for Jackson Prep students who have already taken the ACT and need improvement in the math and science areas. The science review will concentrate on timing, reading of graphs, and experimental design. The math review will focus on concepts of algebra, geometry, and trigonometry with emphasis on individualized student understanding. Class size will be limited to 12 students.

Saturday, August 28, 2010

10 a.m. – 1:30 p.m. (30 minute lunch break)

Room G-4

Instructors: Marsha Hobbs, Laura Lindell

Fee: \$45

Participating students must complete a diagnostic test prior to the refresher course. This test should be obtained from Mrs. Hobbs or Mrs. Lindell no later than Thursday, August 26, 2010. Please bring completed and scored diagnostic test, calculator, and pen or pencil to the session.
