ACT/SAT Workshop

January/February 2010

The ACT/SAT workshop is designed to prepare students for college entrance examinations. The workshop provides students with the confidence and skills necessary to score well by familiarizing them with the test format and by teaching test-taking strategies. Experienced teachers will give twelve hours of specific instruction, which includes all areas of the two tests. **Participants should bring calculators. All other materials are provided.** Check-in will be in the high school foyer prior to the first session. For student security, doors will be locked when classes begin. No late entry allowed. Students in grades 11 and 12 may select one of the following options which are designed to prepare students for the February ACT and SAT testings.
