Fee: \$300

SUMMER SCHOOL PROCEDURES

- 1. Jackson Prep policy allows a maximum of four absences in summer school (two in computer and driver's education.) These absences may not occur during the last week of the session.** Absentees will be called and a note is expected following an absence. Since the summer session is considerably shorter than the regular session, absenteeism can cause severe problems. Trips, vacations, etc. should be planned so that they do not conflict with summer school.
- 2. No early exams will be given.**
- A **\$22 textbook fee** must be added to the registration check for all courses except Dr. Education. Textbooks must be turned in after the final exam.
- Additionally, students enrolled in Advanced Biology must pay a **\$25 lab fee the first day of class.**
- Dress for summer school is the Jackson Prep school uniform.
- A concession stand will be open during breaks.
- Registration and payment for all courses will be at the Jackson Prep Senior High Office. The registration deadline is May 14, 2010. A \$25 late fee will be assessed for registration after May 14.
