The Jackson Prep Afterschool Program has been designed to serve the everyday needs primarily of our school’s working parents, but it also serves students who need to “drop in” from time to time. The program also offers opportunities for students to engage in various extracurricular activities on a semester basis, such as martial arts, guitar, archery, etc., all within the safe setting of campus.

It is Jackson Prep’s policy that any student remaining on campus after 3:30 p.m. must be under the supervision of a coach or teacher, or else he/she must be present in Afterschool Study. The Afterschool Program serves children in sixth through ninth grades. When the last bell rings at 3:00 each day, students are allowed to go to the cafeteria for snacks and some “down time.” All sixth grade students will be escorted by me or another member of the Jackson Prep faculty both to and from the cafeteria during this time. At 3:30, students will then report to Room 204 in the Junior High, which is the new location for the Afterschool Study. Paid supervision begins at 3:30 p.m. and lasts until 6:00 p.m. In the event that a child is not picked up by 6:00 p.m., a late fee of \$1 per minute will be charged to the student’s account.

The Afterschool Program begins on the first full day of classes in August and ends the last full day of classes in May. **We do not offer services on early dismissal days, and there will be reminders in the Junior High announcements when those days occur.** Additional information regarding the extracurricular activities to be offered this semester will be forthcoming.

All Afterschool Program forms are available in the McRae Building and the Junior High Office and can also be downloaded from the school website (www.jacksonprep.net). For questions, email me at jnicholas@jacksonprep.skytel.com or call 1-888-635-8459.
