PREP EIGHTH GRADERS RECEIVE CITIZENSHIP AWARDS

Two Jackson Prep students received Eighth Grade Citizenship Awards at the eighth grade honors forum. The awards are based on the qualities of leadership, honor, and service. The award emphasizes leaders by either word or by example in a variety of areas. The honor requires that the recipients maintain a solid academic record and hold the respect of their peers. Pictured (l to r) are the 2010 recipients: James Martin and Anna Grace Buchanan.
