**PREP ADOPTS LANTERN CLINIC AS COMMUNITY PARTNER**

Dr. Holt Crews recently visited the junior and senior high students of Jackson Prep and presented information regarding Lantern Medical Clinic, an after-hours clinic serving qualified working, uninsured individuals and families. In this year of national health debate, Prep has adopted Lantern as its community partner of the year, affording students service-learning opportunities regarding the need for the clinic and how this type of clinic is established. Students in both schools will collect items to help furnish the clinic office and examination rooms. In December, students helped paint the interior of the clinic. Pictured (l to r) are student leaders with Dr. Crews: Shannon Kynerd, Eleanor Anthony, Crews, Mary Clark Spencer, Gary Dye and Anna Blair Brown.
